II. [Register your returning student for the upcoming school year.](#)

ASCENDER ParentPortal > Summary

Campuses typically require enrolled returning students to re-register each year for the upcoming school year and to complete forms that are required annually. Registration typically occurs during a range of dates according to district requirements. During those dates, you can access Registration from the student's Summary page.

During the annual online registration window:

You can easily see your student's progress in the registration process and access the page where you can complete the forms.

If your student's registration is in progress, a pop-up window opens from this page.

☐ Click **Resume Registration** to continue the registration process.

Or, click **X** to close the pop-up window and continue registration later.

Once you have completed registration, the pop-up window will no longer appear.

NOTE: On the Summary page, the **Registration** button will be red, yellow, or green depending on how far along you are in the process.

- The information is green if all forms are completed (i.e., 100%).

- The information is yellow if most of the forms are completed (i.e., 50%-99%).

- The information is red if fewer than half of the forms are completed (i.e., 0%-49%).

- The card is highlighted and has a check mark for the selected student.

- To begin or resume the registration process, click **Resume Registration** on the pop-up window, or click the **Registration** button on the student's card.
