

Dublin ISD District Parent and Family Engagement Policy
Public Law 114-95 Section 1116

Education succeeds best when there is a strong partnership and communication between home and schools. As key players in the education of their children, parents are involved in developing a policy which will achieve maximum effectiveness in the ties between home and school through outreach to all parents & family members and meaningful involvement with parents & family members so that children will benefit from their time at school and the services provided by the Title I, Part A program. The Parent and Family Engagement Policy is one that is subject to change and revision in order to remain effective in meeting the needs of children who live in a constantly changing society. Parents and school personnel work together to achieve such a policy. Activities listed to meet the intent of the Elementary Secondary Education Act (ESEA) will be incorporated into the District Improvement Plan.

An interpreter is available at all Title IA meetings and is available as requested by the parent. Sign-in sheets will document which parents were in attendance.</p>
<p>Provide coordination, technical assistance, and other support necessary to assist in planning and implementing effective parent involvement activities to improve student academic achievement and school performance.</p>	<p>School personnel are primarily responsible for these areas.
