

Performance in Community and Student Engagement; Compliance

(Campus)

District Name:	Dublin ISD
School Name:	Dublin High School
Year:	2014

The following questions are designed to meet the requirement of HB5 Section 39.0545 School District Evaluation of Performance in Community and Student Engagement; Compliance. The questions are designed to assess the following components: student engagement, community engagement, and compliance in regards to eight predetermined categories. The categories designated for assessment include Fine Arts (FA), Wellness and Physical Education (WPE), Community and Parental Involvement (CPI), 21st Century Workforce Development (21C), Second Language Acquisition programs (SLA), the Digital Learning Environment (DLE), Dropout Prevention Strategies (DO), and Educational Programs for Gifted and Talented (GT).

The questions and benchmarks included in this instrument were designed in coordination with local community input.

Please answer the questions as they directly relate to your campus in reference to the most recently completed academic year. Please be aware that in the text of the question suggestions are given to help you complete the assessment. The suggestions are not considered to be all inclusive of events or activities that would meet the requirements of the questions. Additionally, the percent amount will populate as you complete the questions. In order to receive an accurate rating, it is important to complete **all** questions. **Thank you for your time and help with this important task.**
